

## Bryony Nuttall: Curriculum Vitae

Bryony Nuttall (BA MSc MCSFS) is a Forensic Specialist in Speech & Audio and a Director at the Forensic Voice Centre. She has worked on over three hundred cases involving audio enhancement, transcription, questioned utterance analysis and forensic voice comparison. She has been instructed by both the prosecution and defence in criminal cases. Bryony has carried out research into the effects of language on Automatic Speaker Recognition systems and presented her work at international conferences. She is a member of the International Association for Forensic Phonetics and Acoustics (IAFPA) and a member of the Chartered Society of Forensic Sciences (CSFS). She is an Industry Associate at the University of York where she teaches postgraduate students (MSc and PhD level) on a part-time basis about subjects relating to her professional field.
